Bald Head Association

P.O. Box 3030, 111 Lighthouse Wynd
Bald Head Island, N.C. 28461

Committee Descriptions

Consider making a commitment of time and energy to an Association committee. The committee general goals are defined below to help you identify areas of interest. Please be a part of these efforts. This is your Association and your Island!

Architectural Review

The ARC has the crucial charge of reviewing home plans and administering the Design Guidelines, with numerous reviews handled each year for home plans, landscaping and renovation related submittals.

Communication, Education and Recreation

The committee seeks to implement methods of improving communication and cooperation for and between all Island entities (Associations, Developer, Village, Conservancy, etc) and the membership. It also organizes a wide variety of recreational and educational program offerings at the Association Center such as Mah Jongg, pot luck dinners, painting workshops, yoga, quilting and Pilates. This committee also drives the popular annual Smith Island Social and makes recommendations for offerings to improve the *Island Report* and BHA website.

Finance and Administration

Finance and Administration helps to develop the upcoming year's budget, provides guidance on policy changes and identifies the need for new policies to assist the Board in the operation of the Association. In the past, aside from the challenging annual task of approving a prudent budget, the Committee has developed recommendations related to Common Areas, Association Center Use and personnel and finance policy improvements.

Long Range Planning

This committee examines issues related to long term planning for the Bald Head Association as well as the Island as a whole.

Natural Resources and Beautification

This committee coordinates two Island-wide cleanups per year and an ongoing Adopt-A-Wynd program. If you enjoy beautifying the Island and like to see direct results for your efforts, this is a wonderful committee with which to be involved. The Committee is also responsible for reviewing requests/violations related to common area usage.

Nominating

This committee has the crucial job of identifying qualified candidates to run for future BHA Board positions and continue the tradition of strong leadership for the BHA.

Thank you very much for your interest in your Association!
