As a reminder, some areas in Stage I have “neighborhood” associations that have restrictions specific to their multi-family community. Permission for exterior changes must be granted by both the neighborhood association and the ARC. Members should obtain approval from their neighborhood association first, and then submit for ARC approval. A letter verifying the neighborhood association approval will be required before the BHA ARC review.

Currently, the areas in the Bald Head Association membership with “neighborhood” associations are as follows:

Harbour Village	Royal James Landing
Ibis Roost	Sabal Palms Cottages
Floras Bluff / Killegray Ridge – falls under <u>both</u> Stage I & II	Timbercreek
Lighthouse Landing	The Hammocks
Middle Island	The Villas

In the case of a conflict between the neighborhood association and Bald Head Association restrictions, the stricter restriction applies.
