ARTICLE IV
MEMBER RESPONSIBILITIES:
COVENANTS, ARCHITECTURAL REVIEW GUIDELINES, AND ASSESSMENTS

4.1 Stage II Covenants Superseded; Unified Declaration. Following the Merger Date, the Declaration of Restrictions recorded in Book 374, at Page 645 of the Brunswick County Registry, together with all amendments thereto and restatements thereof (the “BHA Covenants”) and the Protective Covenants for Bald Head Island Stage Two recorded in Book 1045 at Page 676 of the Brunswick County Registry, together with all amendments thereto and restatements thereof (the “Stage II Primary Covenants”), shall be amended and superseded by the Amended and Restated Declaration of Covenants for Bald Head Association attached hereto as **Exhibit B** (the “Unified Declaration”). Except as provided in the Unified Declaration or in this Agreement, the Unified Declaration shall apply to all properties which are currently subject to the BHA Covenants and/or the Stage II Primary Covenants. The Unified Declaration shall include provisions which shall apply only to Stage II properties.

4.2 Status of Flora’s Bluff / Killegray Ridge. Flora’s Bluff / Killegray Ridge are currently subject to the BHA Covenants, the Stage II Primary Covenants, the BHA architectural review guidelines, and the Stage II architectural guidelines. After the Merger Date, Flora’s Bluff/Killegray Ridge shall be subject only to the Unified Declaration, the Unified ARC Design Guidelines and the covenants and guidelines specific to Flora’s Bluff / Killegray Ridge.

4.3 Stage II Secondary Covenants. Currently, particular neighborhoods comprising Stage II have declarations of covenants in place which apply only to those neighborhoods (the “Stage II Secondary Covenants”). The Stage II Secondary Covenants are listed in Article 17 of the Amended and Restated Declaration of Covenants for Bald Head Association attached hereto as **Exhibit B**. The terms and restrictions of the Stage II Secondary Covenants, including specific architectural regulations and guidelines, shall continue to apply to and encumber the particular neighborhoods in Stage II after the Merger Date. After the Merger Date, BHA shall be vested with exclusive authority to enforce the Stage II Secondary Covenants, except to the extent each of the Sumner’s Crescent, Keeper’s Landing, and Surfman’s Walk communities and any other Stage II community so authorized by the Stage II Secondary Covenants may, if they so desire, form a sub-association; provided that these communities may not be forced or otherwise compelled by BHA to form a sub-association.

4.4 Architectural Review Guidelines. All residential properties which are subject to the Unified Declaration shall also be subject to a set of unified architectural design guidelines (“Unified ARC Guidelines”), which the Parties shall enact prior to the merger date in accordance with the following procedure: No later than November 1, 2016, the Parties shall form a committee (“Unified ARC Guidelines Committee”) of one member designated by BHA, one member designated by Stage II and one member designated by Bald Head Island, LLC, successor-in-interest to the developer. The Unified ARC Guidelines Committee shall be charged with developing by July 1, 2017, a draft set of Unified ARC Guidelines. These Unified ARC Guidelines shall be presented to the Boards of BHA and Stage II for adoption, subject to public hearings and subsequent ratification by August 1, 2017. After approval by both Boards, BHA shall publish the Unified ARC Guidelines and schedule public hearings for input no later than September 15, 2017.

Following public hearings, final guidelines shall be presented to the BHA Board and the Stage II Board for ratification and publication by October 31, 2017. After approval by the both Boards, the Unified ARC Guidelines shall be the Unified ARC Guidelines of the Surviving Corporation and take effect on January 1, 2018. Notwithstanding the foregoing, the Surviving Corporation will have sole authority to amend the Unified ARC Guidelines post-Merger as permitted by the Surviving Corporation's governing documents. The Parties acknowledge and agree that the Unified ARC Guidelines must include those provisions of the current Stage II Design Guidelines which are unique and specific to particular lots situated in Stage II.

4.5 Enforcement of Covenants and Architectural Design Guidelines. Following the Merger Date, the Surviving Corporation shall have the sole authority and responsibility to enforce the Unified Declaration, the Stage II Secondary Covenants, and the Unified ARC Guidelines.

4.6 Assessments. Stage II shall take such action as may be reasonably necessary to collect annual assessments from all of its members prior to Closing. The Surviving Corporation shall be entitled to commence collection proceedings against any Stage II owners who remain delinquent in the payment of these assessments after Closing.

4.7 Current Stage II Reserves. BHA shall continue to dedicate reserves collected by Stage II prior to Closing (including reserves collected for the maintenance of areas within Stage II commonly known as "Service Areas") for the purpose or purposes for which Stage II has allocated them until such purposes are fulfilled or cease to exist. BHA shall open and maintain a separate account(s) for the Service Areas. To the extent Stage II has a funded reserve for the annual renewal of extended reporting period insurance coverage for Stage II board members, BHA will continue to use the reserve to renew the coverage until the reserve is exhausted.

4.8 Management Fees for Stage II Areas. Additional management fees will be assessed to Stage II owners via Supplemental dues because of their unique requirements. These assessments will be based upon a "fee for service" model, i.e., property owners will only pay for services required for their neighborhood.

There will be two groups of Stage II owners required to pay "fee for service":

1. Those to be managed by CAMS, or any other third party HOA management company retained by BHA.
2. Those managed by a new BHA employee to be hired, initially part time.

Fees for properties managed by CAMS, or any other third party HOA management company, will be based upon two factors:

1. Costs based on the CAMS contract will be passed directly to property owners as specified by Service Area. The cost may be the same or vary by Service Area.
2. The compensation and benefits cost related to the BHA employee responsible for management of the CAMS contract will be charged to these properties, based on a 1:3

ratio, Lot:House. Of the total compensation & benefits for this employee, 6% will be charged to property owners managed by CAMS. Based on data gathered over time, this percentage may go either up or down.

Management fees for properties within Stage II that are **not** managed via a contract with CAMS, or other third party HOA management company, will be charged to help support a new BHA employee responsible for management and customer service. Of the total compensation & benefits for this employee, 34% will be charged to Stage II property owners **not** managed by CAMS. Management fees will also be charged to pay for 40% of the increased cost of taking the current part-time bookkeeper from two days per week to three days per week. Costs will be charged to these properties, based on a 1:3 ratio, Lot:House. Based on data gathered over time, these percentages may increase or decrease.

It is expected that there will be expenses as a result of adding all the Stage Two properties into the BHA such as legal, insurance for common areas, maintenance and reserves for common areas, office supplies, printing, postage and other items that are normally covered in BHA dues for all members. Any portion of these expenses that is not covered by Stage Two payment of BHA dues will be distributed across the entire BHA membership.

ARTICLE V **COVENANTS AND AGREEMENTS ASSOCIATED WITH MERGER**

5.1 Pre-Merger Covenants. BHA hereby covenants and agrees (as to BHA), and Stage II hereby covenants and agrees (as to Stage II), as follows:

(a) Conduct of Activities. During the period from the Effective Date hereof until the Closing, except as otherwise expressly provided in this Agreement, each Party will conduct its activities only in the ordinary course of business.

(b) Cooperation; Consents. Between the Effective Date and the Merger Date, each Party shall use commercially reasonable best efforts to (i) cause the conditions to the other party's obligation to effect the Merger set forth in Article VIII to be satisfied and (ii) obtain all consents, waivers and approvals required to effect the Merger and vest in the Surviving Corporation all rights and benefits of each Party.

(c) Access. During the period beginning on the date of this Agreement and ending at 5:00 p.m., Bald Head Island, North Carolina time on November 15, 2016 (the "Due Diligence Period"), each Party will give the other Party hereto, its accountants, attorneys and other representatives reasonable access during normal business hours (upon reasonable prior notice) to all of the producing Party's books and records (including, without limitation, the corporate minutes book, balance sheets, financial statements, proposed budgets, bank account statements, reserves ledgers, current and delinquent dues/assessments rolls, schedule of member construction deposits, current contracts/agreements with any other party, insurance policies and declaration pages, and patent and trademark applications and filings), real property, facilities, and other assets. Review and inspection shall be conducted in a manner that does not interfere with the normal operations of the producing Party or contravene any agreement or confidentiality obligation of such Party.

Stage II hereby acknowledges that, as of the date of this Agreement, BHA has not yet had an opportunity to fully review and evaluate the assets and liabilities of Stage II.

(d) Other Consolidation Efforts. Neither Party shall enter into any agreement to consolidate or merge with any entity which is not a party to this Agreement prior to the earlier of the Closing Date or the termination of this Agreement.

(e) Notification of Certain Matters. Each Party shall promptly notify the other party to this Agreement of (i) the occurrence or non-occurrence of any event likely to cause any representation or warranty of such Party contained in this Agreement to be untrue or inaccurate at or prior to the Merger Date and (ii) any failure of such Party to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder.

5.2 Employment of Existing Employees and Agents. Current BHA employees shall continue to work for the Surviving Corporation in accordance with the terms of their current employment arrangements and/or agreements. Stage II has no employees. The Surviving Corporation shall have no obligation to continue to employ Stage II's agents.

5.3 Insurance. Prior to the Merger Date, Stage II will work with its existing liability and property insurers to insure, to the extent reasonably possible, coverage of any claims relating to the pre-Merger activities of Stage II so they will not become the responsibility of the Surviving Corporation or its insurers. To the extent Stage II's insurers cannot provide continued coverage for the pre-Merger activities of said Party, the Surviving Corporation shall have the option to secure coverage for such activities.
