Question\Comment: This is to Carol--

My wife Dianne Robinson and I want to add our voices to those who have opposed the ADA access on lot1319 South Bald Head Wynd. We fully support the idea of an ADA compliant access, but this one is a poor choice. That part of our dune has been badly damaged by storm surges and in now heathy again. Please leave it alone. As Rex Cowdry pointed out, access 24B is a better choice to provide this service to those with disability issues. Please consider this site over the one proposed.
