11. Total allowable heated square footage _____
12. The proposed changes are in compliance with the designated porch requirements?
 Yes No
13. The proposed changes are in compliance with the 50% rule calculation? Yes No
If 50% rule applies, second level percentage of first level (50% max.) equals _____
14. Are any variances from Architectural Review Committee requirements being requested in this application? Yes No
If yes, please attach a letter of explanation for request.
15. Has the architect/designer submitted one full-size printed copy, one 11" x 17" printed copy and one emailed PDF copy? No Yes
16. Do the proposed changes impact the required sightline setback calculations for oceanfront properties Yes No (If the answer is yes, an updated 'As Built' survey must accompany the submittal to assure compliance with the sightline requirements)
17. If this property falls under the restrictions of a neighborhood sub-association, has the required letter/notification from that association, granting approval of the proposed changes been included in the submittal to the BHA ARC? Yes No
18. Does any portion of the proposed construction work involve work on property owned in whole or part by any person or entity other than the applicant property owner (*i.e.* an access easement to the ocean for which the walkway or structure is owned jointly with an adjacent owner or otherwise) Yes No
19. If the answer to question 18 is "yes", do you understand the written consent to the plans for any such construction work shall be required from that adjacent owner or other appropriate person before the ARC shall consider approval of any such work and it is the obligation of the Property Owner to obtain such written consent from the adjacent owner or other appropriate person and provide it to the ARC. Yes No

To the best of my knowledge, the foregoing statements are true.
