***Please attach the required landscape plan and plant list.**

*If you are planning to add or change hardscape (decking, pavers, gravel, lighting, etc.) in addition to softscape (plants, trees, shrubs, etc.) please fill out a Minor Change application. Include both hardscape and softscape specifics. A separate Plant Material application is not needed.

***For guidance, see Landscape guidelines. It is required that a minimum of 70% of the new plant material be native to BHI. The use of NC native plant material is limited to 20% and up to 10% of the plant material may be non-native. Percentages are calculated by adding up the total number of gallons per plant. Only newly proposed plantings are calculated in these percentages, existing plants are not included.**
