Consider making a commitment of time and energy to an Association committee. The committees' general goals are defined below to help you identify areas of interest. Please be a part of these efforts. This is your Association and your Island!

Architectural Review Committee (ARC)

The ARC has the crucial charge of reviewing home plans and administering the Design Guidelines, with numerous reviews handled each year for home plans, landscaping and renovation-related submittals.

Socialization, Education and Recreation Committee (SER)

This committee discusses, devises, recommends and/or implements recreation and education programs for property owners, renters and visitors.

Finance Committee

This committee assists with developing the annual budget and helps the Board monitor the Association's financial status. It also oversees the annual audit process and makes recommendations on financial policy to the Board.

Strategic Planning and Long Range Projects Committee (SPLRP)

This committee reviews and evaluates past long-range plans and summarizes progress toward stated goals. They recommend actions that help fulfill Association purposes and responsibilities.

Resource Conservation and Beautification Committee (RCB)

This committee makes recommendations for the maintenance and development of Common Areas and coordinates two Litter Sweeps each year.

Nominating Committee

This committee has the crucial job of identifying qualified candidates to run for future BHA Board positions and continue the tradition of strong leadership for the BHA.
