### **Wildlife Overlook Update**

The reconstruction of the Wildlife Overlook has begun! The newly designed platform is situated farther out over the lagoon, while making it safe for observers and structurally durable for many years to come. There will be a brand new area designated specifically for bird watching, with high-quality educational signage located throughout the area that will be developed in partnership with the BHI Conservancy. BHA is excited about the overhaul of this beloved community treasure and is working to make it something all can be proud of. The estimated budget for the construction of the Wildlife Overlook is \$325,000 - \$350,000 and will be paid for through a multi-year special assessment beginning in 2021. Plans for the new Wildlife Overlook are available for viewing at the BHA office by contacting Carrie Moffett at [Carrie@BaldHeadAssociation.com](mailto:Carrie@BaldHeadAssociation.com) or 910-457-4676, ext. 26.
