Ownership of such Lot shall be the sole qualification for such membership of any Lot. The Board of Directors may make reasonable rules regarding proof of Ownership.

**Article IV. Covenant for Assessments:**

1. Every Owner of any Lot, by acceptance of any deed therefore, whether or not it shall so express in such deed, is deemed to covenant and agrees to pay to the Association all annual assessments or charges and special assessments for capital improvements as such annual or special assessments shall be fixed, established and collected from time to time as hereinafter provided.

The annual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided shall be a charge on the land and shall be a continuing lien upon the Lot and improvements against which such assessment is made. Each such assessment, together with such interest and costs, and reasonable attorney's fees, shall also be a personal obligation of the person who was the Owner of the Lot at the time that the assessment fell due; however, the personal obligation of an Owner for delinquent assessment shall not be transferred to his successors in title unless expressly assumed by them and then only with the consent of the Association.

2. The assessments levied by the Association shall be used exclusively for promoting the recreation, health, safety and welfare of the residents and Owners of Lighthouse Landing, enforcing these covenants and the rules and regulations of the Association, periodically painting the residences, improving, maintaining and operating common areas, including roadways and Boardwalks, street signs and subdivision signs, street lighting, shrubbery, medians, piers, and any improvements situated thereon, and providing the services and facilities for purposes of and related

to the use and enjoyment of the common areas and facilities and for purposes of paying common expenses.

- (a) The monthly assessment shall be determined by the Board of Directors effective January 1 of each year without a vote of the membership and based upon an annual budget of expenditures for the authorized purposes including reasonable reserves for major replacements, and working capital; provided, however that in no event without a vote of the membership as set forth in subparagraph (b) below shall the monthly assessment exceed 1.2% of the assessed taxable value of each Lot as established from time to time by the Brunswick County Tax Collector's office (hereinafter referred to as the "maximum monthly assessment")
- (b) Should the Board of Directors determine that the monthly assessment should exceed the maximum monthly assessment provided in subparagraph (a) above, then the maximum monthly assessment may be increased only by an affirmative vote of not less than two-thirds (2/3) of the votes entitled to be cast by members in person or by proxy at a meeting called for such purpose. Written notice of such meeting shall be given by the Board of Directors to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting, setting for the date, time place and purpose of the meeting. The provisions of this subparagraph shall not apply to nor be a limitation upon any changes in the assessments undertaken incident to merger or consolidation in which the Association is authorized to participate under the terms of its Articles of Incorporation.
- (c) In establishing the monthly assessments for any calendar year, the Board of Directors shall consider all current costs and expenses of the Association, any accrued debts and reserves for future needs, but it may not fix the annual assessment in an amount in excess of the sums derived by application of 1.2% of the assessed taxable value of each Lot and improvements as provided in subparagraph (a) above without the consent of members as required by subparagraph (b) above.

**Article V.** In addition to the assessments authorized above, the Association may levy, in any calendar year, a special assessment or assessments applicable to that year, only for the purpose of defraying, in whole or in part, the cost of construction or reconstruction, unexpected repair or

replacement of a described capital improvement upon the common area, including the necessary fixtures and personal property related thereto; provided that any such assessment shall have the assent of not less than two-thirds ( $\frac{2}{3}$ ) of the votes entitled to be cast of the members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which, setting forth the purpose of the meeting, shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting.

1. Both monthly and special assessments shall be fixed at a uniform rate for all Lots on a per-Lot basis and may be collected monthly or in such periodic bases as shall be determined by the Board.
2. At the first meeting called as provided in paragraph 2 or 3 of this Article, the presence at the meeting of members or proxies entitled to cast sixty percent (60%) of all the votes entitled to be cast of the membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called subject to the notice requirements set forth in paragraphs 2 and 3 and the required quorum at such subsequent meeting shall be one-half ( $\frac{1}{2}$ ) of the required quorum at the preceding meeting; however, no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.
3. The Board of Directors shall fix the amount of the monthly assessment against each Lot at least thirty (30) days before January 1 of each calendar year. Written notice of the assessment shall be sent to every Owner subject thereto. The Association, upon demand at any time, shall furnish a certificate in writing, signed by an officer of the Association, setting forth whether the assessment on a specified Lot has been paid, a properly executed certificate of the Association as to the status of the assessments on a specific Lot shall be binding upon

the Association as of the date of its issuance. The Board of Directors shall determine whether such assessments shall be payable in monthly, semi-annual or annual payments and shall determine the duty or duties on which the same shall be payable. Any assessment or portion thereof which is not paid when due shall be delinquent. If the assessment or portion thereof is not paid within thirty (30) days after the due date, the same shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum. The association may bring an action against the Owner personally obligated to pay the same or foreclose the lien against the property and in either event interest costs and reasonable attorney's fees of any such action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the common areas or abandonment of his Lot. . Pursuant to North Carolina General Statutes 47F-3-116, any unpaid assessment shall constitute a lien on the Lot and shall have such priority and may be foreclosed upon pursuant to such statute.

4. The lien of the assessment provided for herein on any Lot shall be subordinate to the lien of any first mortgage or mortgages and any lien for assessments of the Bald Head Island Association on such Lot. Sale or transfer of any Lot shall not affect the assessment lien; however, sale or transfer of the Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof.

**Article V. Maintenance:**

1. The Association shall maintain all common areas, including roadways, medians, plantings and shrubbery, boardwalks and walkways located thereon, street signs and subdivision signs, and lighting fixtures and shall pay all costs of operation thereof including premiums associated with general liability insurance insuring the Association from liability arising from Ownership and operation thereof.

2. In addition to the maintenance and repair of the common areas, the Association shall be responsible for and provide for the maintenance and replacement of all yards, trees, shrubs, grass and other landscaping on each Lot; for the periodic painting of the exterior and trim on all structures located on any Lots; and for the maintenance and repair all Boardwalks and driveways leading to each lot.

3. In order to enable the Association to accomplish the foregoing there is hereby reserved to the Association the right to unobstructed access over, on, upon, through and across each Lot and the structures and improvements thereon and its limited common area, if any, at all reasonable times to perform the maintenance and repair required under this Article.

4. In the event that any maintenance or repair of the Lot, and any structures and improvements thereon, is required to be done or performed as a result of the negligent or willful acts of the Owner, as determined by the Board of Directors of the Association, or the family, tenants, contract purchasers, guests or invitees of the Owner, or is caused by fire, wind, rain, blowing water, lightning, smoke or other hazard or casualty then, in the sole discretion of the Board of Directors the costs of such maintenance or repairs, not fully covered by insurance, may be levied as a special assessment against only the Lot sustaining such damage which the Owner shall pay to the Association within fifteen (15) days of the date of written notice to the Owner from the Association requesting such payment. Ordinary wear and tear is not contemplated as being within the coverage of this paragraph.

**Article VI. Architectural Review Board Approval:**

In order to maintain the simple uniformity of the Residences and the general ambience of Lighthouse Landing, no buildings, fences, walls, decks, patios, porches, satellite dishes, antennas, clotheslines or any structure or thing of any kind shall be commenced, erected, or maintained upon the property or any Lot, nor shall any exterior addition, change or alteration to any Lot, or any structure or improvement, thereon, be made, including without limitation exterior color, until such time as the Owner shall submit to the Association, or to an architectural review committee established by the Association, the plans and specifications showing the nature, kind, shape, style, height, materials and location on the Lot of any such proposed improvement to the Lot. Such plans and specifications shall conform to all requirements adopted by the Association in its rules and regulations existing from time to time relating to same. In the event the Association fails to approve or disapprove such design, location and other matters relating to such proposed improvements within thirty (30) days after the date of receipt by the Association of the plans and specifications such failure shall be deemed an approval of the plans and specifications by the Association; provided that the plans and specifications required to be submitted shall not be deemed to have been received if they contain erroneous data or fail to present accurate or adequate information upon which the Boards may arrive at a decision. The submission of such plans to the various Boards shall grant to those Board or members thereof the right, at their election, to enter upon any Lot during construction, erection or installation of improvements or alterations to inspect the work being undertaken in order to determine if such work is being performed in conformity with the approved plans and specifications and in a good and workmanlike manner; however, such right shall not imply any obligation by the Boards to conduct such inspections.

**Article VII. Rules and Regulations:**

1. The Board of Directors of the Association shall have the power to formulate, publish and enforce reasonable rules and regulations concerning the use and

enjoyment of each Lot and common areas not inconsistent with the rules and regulations of the Bald Head Island Association. Such rules and regulations, along with all policy resolutions and policy actions taken by the Board of Directors, shall be recorded in the Book of Resolutions which shall be maintained in a place convenient to the Owners and available to them for inspection during normal business hours.

2. Each Lot and the common areas and facilities shall be for the following uses and subject to the following restrictions in addition to those set forth in the bylaws:

  - (b) Nothing shall be kept and no activities shall be carried on in any building or on any Lot or the common areas and facilities which shall increase the rate of insurance applicable to residential use for the property or the contents thereof. No Owner shall do or keep anything or permit or allow anything to be done or kept on his Lot or any improvements thereto in the common areas or facilities which will result in the cancellation of any insurance on any portion of the property or the contents thereof or which would be in violation of any law, ordinance or regulation. No waste shall be committed on any portion of the common areas or facilities.
  - (c) No immoral, improper, offensive or unlawful use shall be made of the property or any part thereof, and all valid laws, ordinances and regulations of any governmental agency having jurisdiction thereof shall be observed. All laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof relating to any portion of the property shall be complied with by and at the sole expense of the Owner or the Association, whichever shall have the obligation to maintain or repair such portions of the property.
  - (d) Nothing shall be done in or to any Lot or improvement thereto or upon any of the common areas or facilities which shall impair the structural integrity of any building, residence or portion of the common areas and facilities or which would impair or alter the exterior of any such improvement or portion thereof except in the manner as provided in this Declaration.

- (e) No industry, business, trade, occupation or profession of any kind, whether commercial or otherwise, shall be conducted, maintained or permitted on any of the property.
- (f) No Owner shall display or cause or allow to be displayed to public view any signs, placards, posters, billboards, or identifying name or number upon any home, building or any portion of the common areas and facilities except as may be allowed by the Association pursuant to its bylaws.

- (k) All telephone, electric and other utility lines and connections between the main utility lines located on common property and any improvement on any Lot shall be concealed or located underground so as not be visible.

3. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no manner affect any other provision which shall remain in full force and effect.
4. The covenants, conditions and restrictions of this Declaration shall run with and bind the land to which it is applicable for a term of twenty (20) years from the date of recording in the Registry of this Declaration, shall thereafter automatically extend for successive period of ten (10) years under the present terms and conditions hereof unless amended and shall inure to the benefit of and be enforceable by the Association or the Owner of any Lot and their
