

BHI Garden Club

Inaugural Gathering

Wednesday, March 22, 10:00am

Calling All Garden Lovers! Are you interested in helping organize and start a Garden Club on Bald Head Island? BHA's Education and Recreation (ER) Committee is meeting to discuss organizing this new club. We hope to exchange gardening trade secrets and discuss the Island's initiative to bring back monarch butterflies and pollinators at the Pollinator Garden in Marina Park. All are welcome! Bring your eager green thumbs and let's learn from one another.

The first meeting is Wednesday, March 22, at 10:00am at a property owner's home. If you're interested in joining the discussion, email Grace Valentine at gracevalentine@verizon.net. Join us and share your ideas!
