

# Community Potluck Dinner

Monday, March 11  
6:00pm

Featuring BHI Conservancy's  
Executive Director Chris Shank  
at 7:00pm to discuss "Barrier  
Islands: Past, Present & Future."

Science at the University of Texas at Austin for 10 years, where he ran a coastal research lab and taught numerous courses on marine conservation and coastal ecology. Chris also has considerable public education and outreach experience and is always excited to share his love for and knowledge of Bald Head Island.

Before joining the BHI Conservancy, Dr. Shank was a faculty member in the Department of Marine

**BHI Conservancy's Fleming Environmental Center**  
700 Federal Road, Bald Head Island

Just bring a dish to share and your favorite beverage.

Contact F.A. McLeod at [faatbeach@gmail.com](mailto:faatbeach@gmail.com) for additional information.
