

BHI Property Owners

Coyote Education Session

*Learn important information
about coexisting with coyotes*

Presented by:

NC Wildlife Resources Commission (WRC)

As BHI property owners who share a natural environment on a barrier island, it is important to learn about this species and how we, as humans, need to adapt our behavior to coexist with them.

Property owners are encouraged to attend this education session and share this information with guests and renters.

Friday, December 6, 2019
2:00-3:00pm

BHA Association Center

111 Lighthouse Wynd, Bald Head Island

Hosted by:

Bald Head Association ~ "The voice for BHI property owners"
