# BHI Questions?

## Shutting Off My Water

If property owners want to shut off their water and/or sewer during an extended time away from Bald Head Island this winter, call Village Public Utilities at 910-457-7350 for complete information about service and reconnection charges.

Water rates are currently based on two tiers of usage. Tier 1 is for water use of up to 3,000 gallons per month, for a rate of \$6.02 per thousand gallons. Tier 2 is for water use of 3,000+ gallons per month, for a rate of \$9.86 per thousand gallons. Metered irrigation water is all charged at the Tier 2 rate of \$9.86 per thousand gallons. There is a base monthly rate of \$21.32 for all BHI property owners throughout the year, regardless of usage. The schedule of water and sewer rates states, “If water and/or sewer service is disconnected and service is reconnected within nine (9) months, the base charges and surcharge for all months disconnected will be due and payable.”
