

UPDATED

The Board and staff of Bald Head Association have done our very best to help prevent the spread of the coronavirus to our property owner members, staff members and guests who visit the Association. With that in mind, we have put the following policies in place:

- **All visitors to Bald Head Association's office must wear a face covering**
- **Face coverings must be worn by attendees of large events, such as wedding receptions and art show**
- **Social distancing of six feet is encouraged**
- **Outdoor activities are encouraged rather than staying indoors**
- Meetings of the BHA Board and Association committees are held remotely when possible; face coverings are not required for these socially-distanced meetings
- Face coverings are required for unvaccinated attendees of exercise classes. Those who are vaccinated may choose to wear a mask but are not required to do so
- The Association Center's kitchen and restrooms are not accessible to visitors
- Some BHA staff work remotely from home and staff schedules have been staggered to reduce the number of people in the building at any one time

In addition, BHA has placed sanitizer-dispensing stations throughout the facility and placed detailed signage in the restrooms regarding CDC protocols for handwashing. "High-touch" areas and restrooms are sanitized frequently and the building is disinfected weekly.

But, the chance of exposure cannot be completely eliminated.

Please do not enter the premises unless you are wearing a mask or other face covering. You should not enter if you are experiencing a fever or other any other symptom that is associated with COVID-19 or if you have recently been in contact with an individual who has COVID-19.
