Debris Pick Up

The Village of Bald Head Island provides no-cost vegetative debris pick up for debris created by property owners. The debris can be placed in front of your property, and Public Works staff will pick it up once you call to notify them. You must call Public Works at 910-457-5422 to schedule a pick up. Debris created by landscapers or contractors, however, must be dropped off at the Mulch Site on North Bald Head Wynd by the landscaper/contractor.
