## Outdoor Lighting

Do you have questions about outdoor lighting on and around your house? Make sure you know about the guidelines for lights, including wattage, design, direction and baffling (deflects and controls the “flow” of light to soften it and minimize reflected glare).

For questions, call Julie Starcher, BHA ARC Associate, at 910-457-4676, ext. 23. You may also have to call the Village of BHI regarding pertinent ordinances at 910-457-9700.
