BHI Basics — A Great Resource for Guests and Renters

BHI is a barrier island with interdependent ecologies and an abundance of unique flora and fauna. Education is key to helping preserve Bald Head Island. This includes educating visitors, whether they are renters or family/guests of property owners; property owners who are new; property owners who have been on BHI for a long time; and property owners anywhere in between, both full-time and part-time residents.

BHA has recently developed a new educational resource that encompasses the essentials of BHI — information about the Island, daily living topics, information about wildlife that live among us, safety information and much more. It’s called “BHI Basics,” and copies were included with the 2020 Annual Report package.

If you rent your home through a property management company, ask them if they’re adding BHI Basics to your guest book. If you rent your home and need an additional copy for your own guest book, they are available in the BHA office (please follow safety protocols and wear a mask). Larger quantities will carry a nominal fee to cover printing costs.

For any questions and to request quantities over 10, email Pam@BaldHeadAssociation.com.
