COVID-19 UPDATE

Clarification

Receiving Packages & Mail During COVID-19 Event

The previous message included a map for the flow of foot traffic through the Post Office entrance and out the Island Package Center entrance as the preferred "exit." We understand this may have been confusing since during business hours, the IPC/PO is currently doing drive-thru delivery.

To improve the drive-through operations at the Island Package Center/Post Office we are requesting that islanders display their Post Office Box number in the windshield of their golf cart, this can be on paper, cardboard, etc. as long as it is legible and visible through the windshield.

Please pull up along Lighthouse Wynd as close as you can to the IPC/PO without getting within the 6 feet of other islanders. Please stay in your cart and move up in the line as other carts move on. The Village is using the "school pick up line" model. We have folks out front who will relay the PO Box number to our staff inside and your packages will come out as soon as possible. Thank you for your patience.

**MAINTAIN YOUR SOCIAL DISTANCE WHEN
PICKING UP MAIL AND PACKAGES AT THE
POST OFFICE & IPC!!!!!!!!!!**

Important Messages from Village Post Office/IPC

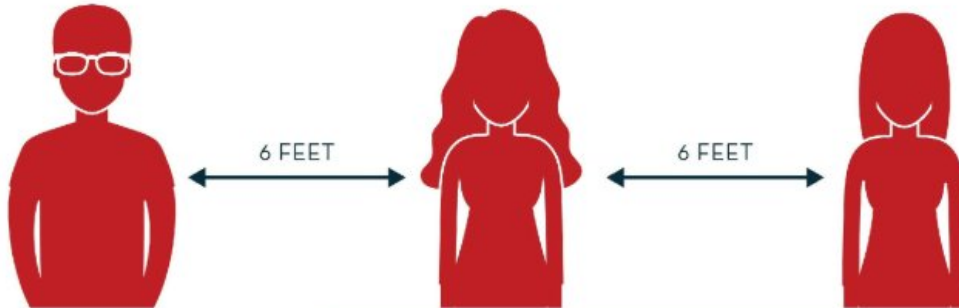

- Property Owners and Businesses need to cancel non-essential deliveries
- Shipments should be limited to those that are critical including medicine/prescriptions
- Perishables should also be limited to items of necessity as there is limited space to hold them
- Renters should NOT be on island per the Stay At Home order and Village State of Emergency Evacuation order
- The Village concern is not having enough resources to respond to COVID19 and other services including Mail and package deliveries

SOCIAL DISTANCING

HAVE TO GO OUT? Keep 6 feet of distance between you and others whenever possible.

WHY DOES IT MATTER? It can help limit the spread of coronavirus (COVID-19).

WHAT IS IT? Remaining out of congregate settings, avoiding large crowds & gatherings.
