BHI Ferry Transportation Authority Update

March 2019

Several members of the BHI Ferry Transportation Authority recently updated staff of the Local Government Commission on the Authority’s activities, helping pave the way for approval of the asset purchase agreement between BHI Limited and the Authority for the ferry system and the financial plans for future operation of the ferry system. The Authority also approved at its March meeting an inter-local agreement with the Village of BHI to receive an additional \$50,000 in seed funds for the Authority’s activities. The funds originate from BHI Limited and are passed through the Village to the Authority.

The Authority’s next meeting will be held on Wednesday, April 17th at 9:15am at the Southport Community Building (223 E. Bay Street, Southport). Property owners are encouraged to attend.
